

# Weather Fronts

Learning Goal: to identify the characteristics of 4 different weather fronts

Language Goal: to complete a chart to organize our information

ENGAGE: Describe today's weather using as many factors as you can.

*Cloud coverage-*

*Temperature-*

*Precipitation-*

*Air Pressure-*

EXPLORE: Watch the [video](#) about weather fronts.

EXPLAIN: Watch the [simulation](#) and complete the chart below.

Kind of Front	Diagram	Weather Effects

**ELABORATE:** Complete a foldable including all 4 kinds of fronts, a description and a picture demonstrating the movement and the effect.

**EVALUATE:** How do you think scientists can use the information about fronts to predict the weather?
